## REPORT OF E. W. AVERY, ROAD AGENT

---

Your money was spent this year as follows:

Road machine work	\$1,503.40
Graveling	2,104.00
Maintaining culverts and bridges	655.70
Cutting bushes	1,007.76
Spring washouts	1,120.00
New equipment	39.69
	<hr/>
	\$6,430.55

The \$2,104.00 spent on gravel, delivered 2,550 yards at a cost of 80 cents per yard; covering approximately four miles. This does not include the truck work and labor given by the East Sutton people delivering 300 yards of gravel, covering approximately one quarter of a mile, at a cost to the town of less than 30 cents a yard. Labor, trucks and gravel given amounted to approximately \$140.00.

The \$655.70 spent for culverts put in fifteen new metal culverts and cleaned and relaid ten stone culverts. It should be the policy of all road agents in the future to replace the stone culverts with metal ones as fast as possible.

The \$1,007.76 spent in cutting brush, covered the entire town and cleaned up both sides of the highway, opening curves so that vision ahead is much improved.

I thank each and all for their hearty support.

Respectfully submitted,

E. W. AVERY,

Road Agent.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

### To the School Board of Sutton District :

For the sake of economy in printing we are making this report as brief as possible, confining it largely to the following statistics :

#### Teachers Employed in 1931-32

School	Teacher	Training	Exp.	Cred.	Salary
Mills	Nellie F. Scribner	P. N. S. 2 yrs.	3 yrs.	C	\$1000
North	Helen E. Holmes	P. N. S. 2 yrs.	3 yrs.	C	1000
South	Christina Young	K. N. S. 2 yrs.	2 yrs.	C	1000

#### Register Summaries

	Mills	North	South	Total	Total
					30-31
No. half-days in session	360	360	360	1080	1080
No. half-days lost	0	0	0	0	0
No. pupils registered	25	21*	25	71	71
Average membership	21.44	17.57	22.4	50.31	60.99
Percent of attendance	95	93.51	96.96	94.61	94.80
No. tardinesses	181	8	2	191	115
Av. tardiness per pupil	8.44	.45	.09	3.79	1.88
No. visits of School Board	2	2	1	5	6
No. of visits of Supt.	32	33	34	99	99
No. visits of citizens	23	41	55	119	173

From the above it may be noted :

1. No sessions were lost in the district.
- \*2. Four pupils registered at the North School had previously been registered at another school in the district, and are not included in the district totals. The average membership in the district has decreased more than ten.
3. The South School has a very good percent of attendance.
4. The increase in the number of tardinesses was largely at the Mills School. This we expect to be reduced this year.

The number of pupils in the district attending public schools was as follows: Local elementary schools, 71; Warner elementary schools, 9; Warner high school, 14; total residing in the district and attending public schools, 94; an increase of one over last year.

### **Perfect Attendance**

For one year—Roland Allen, Doris Brown, Arnold Burgamaster, George Wells, Morris Wheeler, Norris Wheeler, Barbara Wood, Doris Hazen, Katherine Merrill.

For three 9-week periods—Douglas Anderson, David Chadwick, Louis Palmer, Corinne Bradford.

For two 9-week periods—Stuart Allen, Forrest Barker, Arthur Hall, Chandler Hall, Dorothy Hall, Norman

Wood, Irene Call, Leon Call, Bertha Davis, Robert Hill, Willis Hill, Charlotte Johnson, Veronica Quimby, Helen Call, Fred Davis.

### Health Inspection

The report of the annual health inspection made by Miss Ruth Whitecomb, school nurse, was as follows:

No. pupils examined	62
Underweight	5
Defective vision	5
Defective teeth	42
Diseased tonsils	5
Adenoids	3
Enlarged glands	7
No. vaccinated	57
Unvaccinated	5
Pediculosis	5
Impetigo	1
Scabies	2
No. immunized at toxin-anti-toxin clinic	27

The hearing of all pupils was tested by an audiometer. No dental clinic was held this year on account of lack of funds, but effort should be made to hold such a clinic, if possible, in 1932-33. The percent of pupils with defective teeth is very high.

At the Mills School the following pupils completed the work of the eighth grade in June: Daniel Deno, David Chadwick, Edward Johnson, Bertha Chadwick. At the South School the following graduated from grade eight in June: Lowell Anderson, Doris Hazen, Doris Brown,

Leonard Wheeler. All these pupils are now in high school. There were no graduates from the North School this year. Graduation exercises for all the graduates were held at the Town Hall at the close of school in June.

We are grateful to the parents of pupils in school, to the school board and teachers, for their cooperation and support during the year.

Respectfully submitted,

JOHN A. SINCLAIR,

Superintendent of Schools.
